Nova approaches this workshop from the perspective of a Featherweight user who wants to preserve and protect their machine, but does not have an intricate knowledge of the mechanical workings of the machine. She guides students through correct maintenance while educating them about their wonderful machines.

Come spend seven hours with Nova (plus 1 hour break for lunch) learning all about how to keep your Featherweight in tip top condition.

Workshop fee includes Nova's Featherweight Maintenance Card for each student (theirs to keep) and cleaning materials for use during the workshop.

NOTE: This is a normal maintenance class ONLY. If your machine is in need of actual repair, please contact nova@novamontgomery.com for repair prior to bringing it to class.

How to register: Programs Table OR Guild Website

What to bring: Supply List available at Programs Table and on Guild Website
