### Meeting Minutes *(please forgive any misspellings)*

- Special Meeting to discuss spending additional funds on website updates.  
Two vendors with cost were presented as options to change the theme to one that works with mobile devices and make several functions easier to use.  
The first option is Jason French who quoted \$2000 for the work to be completed in 3-4 weeks with 5 months of support and then an hourly rate after that.  
The second option is Bluehost for \$4750 to complete in 4 weeks with 2 weeks of support.  
A motion was made by Christi to allow an additional \$3000 to hire Jason French. The motion was seconded by Kim. The motion passed with no vetoes. We increased the budgeted amount to \$3000 to include any additional costs that may be incurred.

There were some concerns that this may not be enough or that we'll find more issues when we open up next year's quilt show website. We can table that until next year's budget discussions.
